Text Clues: How Do We Know that Ender killed both Stilson and Bonzo?

Clues from Chapter 12:

- p.209: If I'm to walk away from here, I have to win quickly, and permanently.
- p. 212: "You took him apart. I thought you were dead meat, the way he grabbed you. But you took him apart. If he'd stood up longer, you would've killed him."
- p. 212: His eyes were open, but he wasn't thinking or moving anymore, just that dead, stupid look on his face, that terrible look, the way Stilson looked when I finished with him.
- p. 212: He made no movement whatever to escape the murderous heat.
- p. 225: "Arrested?" "Well, it's a natural thought...There was a death in the Battle School."
- p. 226: "...there's the fourth passenger on the shuttle. The one traveling in a bag."
- p. 226: "Only the second death in the history of the school. At least it wasn't a suicide this time."
- p. 226: "How is murder better Major Imbu?" "It wasn't murder, Colonel. We have it on video from two angles. No one can blame Ender."
- p. 226: "At least they had the good sense not to tell Ender that the boy died." "It's the second time, too." "They didn't tell him about Stilson, either."
- p. 226: "This kid is scary."
- p. 226: "Ender Wiggin isn't a killer. He just wins- thoroughly. If anybody's going to be scared, let it be the buggers."
